

§ 127.603

13 CFR Ch. I (1–1–14 Edition)

and, if the protest is in connection with an EDWOSB contract, that the concern is not at least 51 percent owned and controlled by one or more women who are economically disadvantaged. In addition, SBA will consider a protest challenging the status of a concern as an EDWOSB or WOSB if the contracting officer has protested because the WOSB or EDWOSB apparent successful offeror has failed to provide all of the required documents, as set forth in § 127.300.

§ 127.603 What are the requirements for filing an EDWOSB or WOSB protest?

(a) *Format.* Protests must be in writing and must specify all the grounds upon which the protest is based. A protest merely asserting that the protested concern is not an eligible EDWOSB or WOSB, without setting forth specific facts or allegations, is insufficient.

(b) *Filing.* Protestors may deliver their written protests in person, by facsimile, by express delivery service, e-mail, or by U.S. mail (received by the applicable date) to the following:

(1) To the contracting officer, if the protestor is an offeror for the specific contract; or

(2) To the D/GC, if the protest is initiated by the contracting officer or SBA. If SBA initiates a protest, the D/GC will notify the contracting officer of such protest.

(c) *Timeliness.*

(1) For negotiated acquisitions, a protest from an interested party must be received by the contracting officer prior to the close of business on the fifth business day after notification by the contracting officer of the apparent successful offeror or notification of award.

(2) For sealed bid acquisitions, a protest from an interested party must be received by close of business on the fifth business day after bid opening.

(3) Any protest received after the time limit is untimely, unless it is from SBA or the contracting officer. A contracting officer or SBA may file an EDWOSB or WOSB protest at any time after bid opening or notification of intended awardee, whichever applies.

(4) Any protest received prior to bid opening or notification of intended awardee, whichever applies, is premature.

(5) A timely filed protest applies to the procurement in question even if filed after award.

(d) *Referral to SBA.* The contracting officer must forward to SBA any protest received, notwithstanding whether he or she believes it is premature, sufficiently specific, or timely. The contracting officer must send all protests, along with a referral letter and documents, directly to the Director for Government Contracting, U.S. Small Business Administration, 409 Third Street, SW., Washington, DC 20416, or by fax to (202) 205-6390, Attn: Women-Owned Small Business Status Protest. The contracting officer's referral letter must include information pertaining to the solicitation that may be necessary for SBA to determine timeliness and standing, including: the solicitation number; the name, address, telephone number and facsimile number of the contracting officer; whether the protestor submitted an offer; whether the protested concern was the apparent successful offeror; when the protested concern submitted its offer; whether the procurement was conducted using sealed bid or negotiated procedures; the bid opening date, if applicable; when the protest was submitted to the contracting officer; when the protestor received notification about the apparent successful offeror, if applicable; and whether a contract has been awarded. In addition, the contracting officer must send copies of any documents provided to the contracting officer pursuant to § 127.300 (if the repository is unavailable). The D/GC or designee will decide the merits of EDWOSB or WOSB status protests.

§ 127.604 How will SBA process an EDWOSB or WOSB status protest?

(a) *Notice of receipt of protest.* Upon receipt of the protest, SBA will notify the contracting officer and the protestor of the date SBA received the protest and whether SBA will process the protest or dismiss it under paragraph (b) of this section. The contracting officer may award the contract after receipt of a protest if the

contracting officer determines in writing that an award must be made to protect the public interest. Notwithstanding such a determination, the provisions of paragraph (f) of this section apply to the procurement in question.

(b) *Dismissal of protest.* If SBA determines that the protest is premature, untimely, nonspecific, or is based on nonprotestable allegations, SBA will dismiss the protest and will send the contracting officer and the protestor a notice of dismissal, citing the reason(s) for the dismissal. Notwithstanding SBA's dismissal of the protest, SBA may, in its sole discretion, consider the protest allegations in determining whether to conduct an examination of the protested concern pursuant to subpart D of this part or submit a protest itself.

(c) *Notice to protested concern.* If SBA determines that the protest is timely, sufficiently specific and is based upon protestable allegations, SBA will:

(1) Notify the protested concern of the protest and request information and documents responding to the protest within five (5) business days from the date of the notice. These documents will include those that verify the eligibility of the concern, respond to the protest allegations, and copies of proposals or bids submitted in response to an EDWOSB or WOSB requirement. In addition, EDWOSBs will be required to submit signed copies of SBA Form 413, Personal Financial Statement, the three most recent personal income tax returns (including all schedules and W-2 forms) for the women claiming economic disadvantage and their spouses, unless the individuals and their spouses are legally separated, and SBA Form 4506-T, Request for Tax Transcript Form. SBA may draw an adverse inference where a concern fails to cooperate in providing the requested information and documents; and

(2) Forward a copy of the protest to the protested concern.

(d) *Time period for determination.* SBA will determine the EDWOSB or WOSB status of the protested concern within fifteen (15) business days after receipt of the protest, or within any extension of that time that the contracting officer may grant SBA. If SBA does not

issue its determination within the fifteen (15) business day period (or within any extension of that time the contracting officer has granted), the contracting officer may award the contract if he or she determines in writing that there is an immediate need to award the contract and that waiting until SBA makes its determination will be disadvantageous to the Government. Notwithstanding such a determination, the provisions of paragraph (f) of this section apply to the procurement in question. The determination must be included in the contract file and a written copy sent to the D/GC.

(e) *Notification of determination.* SBA will notify the contracting officer, the protestor, and the protested concern in writing of its determination. If SBA sustains the protest, SBA will issue a decision explaining the basis of its determination and requiring that the concern remove its designation in SAM (or any successor system) as an EDWOSB or WOSB, as appropriate. Regardless of a decision not to sustain the protest, SBA may, in its sole discretion, consider the protest allegations in determining whether to conduct an examination of the protested concern pursuant to subpart D of this part.

(f) *Effect of determination.* SBA's determination is effective immediately and is final unless overturned by SBA's Office of Hearings and Appeals (OHA) on appeal pursuant to § 127.605.

(1) A contracting officer may award the contract to a protested concern after the D/GC either has determined that the protested concern is an eligible WOSB or EDWOSB or has dismissed all protests against it. If OHA subsequently overturns the D/GC's determination or dismissal, the contracting officer may apply the OHA decision to the procurement in question.

(2) A contracting officer shall not award the contract to a protested concern that the D/GC has determined is not an EDWOSB or WOSB for the procurement in question.

(i) If a contracting officer receives such a determination after contract award, and no OHA appeal has been filed, the contracting officer shall terminate the award.

(ii) If a timely OHA appeal has been filed after contract award, the contracting officer must consider whether performance can be suspended until an appellate decision is rendered.

(iii) If OHA affirms the D/GC's determination finding that the protested concern is ineligible, the contracting officer shall either terminate the contract, not exercise the next option or not award further task or delivery orders.

(3) The contracting officer must update the Federal Procurement Data System and other procurement reporting databases to reflect the final agency decision (the D/GC's decision if no appeal is filed or OHA's decision).

(4) A concern that has been found to be ineligible may not submit an offer as a WOSB or EDWOSB on another procurement until it cures the reason(s) for its ineligibility and SBA issues a decision to this effect. A concern that believes in good faith that it has cured the reason(s) for its ineligibility may request an examination under the procedures set forth in § 127.405.

§ 127.605 What are the procedures for appealing an EDWOSB or WOSB status protest decision?

The protested concern, the protestor, or the contracting officer may file an appeal of a WOSB or EDWOSB status protest determination with SBA's Office of Hearings and Appeals (OHA) in accordance with part 134 of this chapter.

Subpart G—Penalties

§ 127.700 What are the requirements for representing EDWOSB or WOSB status, and what are the penalties for misrepresentation?

(a) *Presumption of Loss Based on the Total Amount Expended.* In every contract, subcontract, cooperative agreement, cooperative research and development agreement, or grant which is set aside, reserved, or otherwise classified as intended for award to EDWOSBs or WOSBs, there shall be a presumption of loss to the United States based on the total amount expended on the contract, subcontract, cooperative

agreement, cooperative research and development agreement, or grant whenever it is established that a business concern other than a EDWOSB or WOSB willfully sought and received the award by misrepresentation.

(b) *Deemed Certifications.* The following actions shall be deemed affirmative, willful and intentional certifications of EDWOSB or WOSB status:

(1) Submission of a bid, proposal, application or offer for a Federal grant, contract, subcontract, cooperative agreement, or cooperative research and development agreement reserved, set aside, or otherwise classified as intended for award to EDWOSBs or WOSBs.

(2) Submission of a bid, proposal, application or offer for a Federal grant, contract, subcontract, cooperative agreement or cooperative research and development agreement which in any way encourages a Federal agency to classify the bid or proposal, if awarded, as an award to a EDWOSB or WOSB.

(3) Registration on any Federal electronic database for the purpose of being considered for award of a Federal grant, contract, subcontract, cooperative agreement, or cooperative research and development agreement, as an EDWOSB or WOSB.

(c) *Signature Requirement.* Each offer, proposal, bid, or application for a Federal contract, subcontract, or grant shall contain a certification concerning the EDWOSB or WOSB status of a business concern seeking the Federal contract, subcontract or grant. An authorized official must sign the certification on the same page containing the EDWOSB or WOSB status claimed by the concern.

(d) *Limitation of Liability.* Paragraphs (a)–(c) of this section may be determined not to apply in the case of unintentional errors, technical malfunctions, and other similar situations that demonstrate that a misrepresentation of EDWOSB or WOSB status was not affirmative, intentional, willful or actionable under the False Claims Act, 31 U.S.C. §§3729, et seq. A prime contractor acting in good faith should not be held liable for misrepresentations made by its subcontractors regarding the subcontractors' EDWOSB or WOSB status. Relevant factors to consider in
